Yes, they can come to the main Council office on the second floor of City Hall. We have reserved a small conference room inside that office. Thanks!

You may have and I missed it? Not sure! Sorry! Is there a specific room they should go to?

Thank you!

Dear Vice Mayor Devereux –

I am writing on behalf of the Jewish Community Relations Council, the Anti-Defamation League, and the American Jewish Committee to request the opportunity to meet with you at your convenience in the coming two weeks.

It is our understanding that the Cambridge City Council, at its meeting of April 23, will be considering a resolution that in part or in its entirety entertains matters relevant to the ongoing Israeli-Palestinian conflict. This is a matter of great interest to us and to the Jewish community in Cambridge and across the Commonwealth. It is our hope and desire that you would be willing to meet with us in the weeks prior to that meeting in order to discuss this resolution prior to the vote.

With appreciation for your time and attention.
